Hawkesbury Race Club Limited

This raceday is to provide funds to help get Oncology treatment and Associated services to the Hawkesbury, so residents living with Cancer will no longer need to travel outside their area for treatment.

This annual raceday has already raised over \$170,000, this could not have been achieved without the race day sponsors & supporters. So come along & help us crack the \$250,000 barrier.

Proudly supported by:

Free entry for all children, pensioners, senior government card holders and financial members of

Gates open 11.00am | First race approx, 1pm | Free Parking | Free Entertainment
