

# CHAIRMAN'S REPORT

## Dear Stakeholders,

As the Chairperson of the Hawkesbury Living Cancer Trust, I am pleased to present to you the audited financial report for the Trust, for the year ended 30 June 2018.

The Hawkesbury Living Cancer Trust Chemotherapy and Infusion Unit at Hawkesbury Hospital has now been treating patients since March 2017.

Through our partnership with Nepean Blue Mountains Local Health District (NBMLHD) patients are being referred to Hawkesbury Hospital for treatment, where they are taken care of by highly qualified oncology and chemotherapy professionals in a comfortable and familiar location that is close to home.

As you can see from the figures over 100 patients a month are treated at the unit and in August 2018 there were over 200 patients enrolled in treatment protocols through the unit.

The Hawkesbury Living Cancer Trust is still actively fundraising. Trustee Graeme Colless held a fundraising race day at Randwick this year and from the proceeds made a large donation to the Trust.

I would like to thank my fellow Trustees, Peter Chidgey, Vivienne Leggett, Graeme Colless, John O'Brien and Kimberley Talbot for their ongoing work and contributions, the Richmond Club Board of Directors, St John of God Hospital and Nepean Blue Mountains Local Health District.

Kind Regards,

**Dr Duncan Guy**  
Chairperson  
Hawkesbury Living Cancer Trust
