

CHAIRMAN REPORT

Dear Stakeholders,

As the Chairperson of the Hawkesbury Living Cancer Trust, I am pleased to present to you the audited financial report for the Trust, for the Year ended 30 June 2021.

The Hawkesbury Living Cancer Trust Chemotherapy and Infusion Unit at Hawkesbury Hospital has now been treating patients since March 2017.

Through our partnership with Nepean Blue Mountains Local Health District (NBMLHD) patients are being referred to Hawkesbury Hospital for treatment, where they are taken care of by highly qualified oncology and chemotherapy professionals in a comfortable and familiar location that is close to home.

The number of patients being treated locally continues to increase thanks to the excellent work of Nepean Cancer Centre and Hawkesbury Hospital.

The Trust, as part of our agreement with Nepean Cancer Centre, is covering any shortfall between the funding provided by the State Government and the cost of providing the service locally.

The Trust has also made significant donations to local cancer support group Pink Finns so they can expand the wonderful work they are doing for locals who are being treated for cancer.

We also contributed to the purchase of an extra car for patient transport, which has proven very useful in assisting patients get to their treatments without having to worry about parking or driving if they are not feeling well.

The Hawkesbury Living Cancer Trust is still actively fundraising. We are about to launch a new website which will be able to take tax deductible donations from supporters.

I would like to thank my fellow Trustees, Vivienne Leggett, Graeme Colless, John O'Brien and Kimberley Talbot for their ongoing work and contributions, the Richmond Club Board of Directors, St John of God Hospital and Nepean Blue Mountains Local Health District.

Kind Regards,

A handwritten signature in black ink that reads "Duncan".

Dr Duncan Guy

Chairman

Hawkesbury Living Cancer Trust
